Notice No. 02-47

Date: October 3, 2002

Dredging by River Salvage, Inc.
Ohio River, Right Side, Mile 68.5-68.75

1. **TO ALL WHOM IT MAY CONCERN**: Notice is given that River Salvage Company, Inc. will be dredging along the right side of the Ohio River between Miles 68.5-68.75.

2. The dredging will begin October 7, 2002 and will continue for 30 days from dawn to dusk five days a week. A derrickboat, spud hull, 2 jumbo barges, and a towboat will be on site.

3. One foot of material will be dredged from an area that starts at the outfall on the right bank and extends downstream around the right bank channel pier of the LaBelle Railroad Bridge, approximately 100 feet into the navigation channel and back to the outfall in the shape of a tear drop. The dredged material will be loaded into barges for disposal.

4. Navigators, please use extreme caution in and around the area to minimize wave wash.
