

Agency Job Opportunity Announcement

Job Title:Supervisory Interdisciplinary (Geospatial Section Chief)

Department:Department of the Army

Agency:U.S. Army Corps of Engineers

Job Announcement Number:SWGJ140856051264221DR

SALARY RANGE: \$82,642.00 to \$107,434.00 / Per Year

OPEN PERIOD: Thursday, November 20, 2014 to Wednesday, December 3, 2014

SERIES & GRADE: GS-0150/0810/1350/1373-13

POSITION INFORMATION: Full Time - Permanent

DUTY LOCATIONS: 1 vacancy in the following location:
Pittsburgh, PA

WHO MAY APPLY: United States Citizens

SECURITY CLEARANCE: Not Applicable

SUPERVISORY STATUS: Yes

JOB SUMMARY:

Civilian employees serve a vital role in supporting the Army mission. They provide the skills that are not readily available in the military, but crucial to support military operations. The Army integrates the talents and skills of its military and civilian members to form a Total Army.

About the Position:

As Chief, Geospatial Section (Supervisory Civil Engineer(0810), Supervisory Geologist(1350), Supervisory Land Surveyor(1373), or Supervisory Geographer(0150)), you will coordinate the work of the section with other District elements engaged in the planning design, construction, operation,

and maintenance of major Civil Works Water Resource Projects. Incumbent will represent the district as the District Enterprise Geospatial Engineering Systems (EGES) Coordinator.

This is an acquisition position in the Facilities Engineering career field.

Possession of certification as a Registered Professional Engineer, Registered Professional Geologist, Professional Registered Land Surveyor, or Certified GIS Professional (GISP) is required.

Who May Apply: U.S. Citizens

Please Note:

If you are currently a permanent, Federal employee or have other appointment eligibility(s) as an internal candidate, please apply for this vacancy against SWGJ140856051264203R for status candidates.

TRAVEL REQUIRED

- Occasional Travel
- Temporary Duty Travel (TDY) is 10%

RELOCATION AUTHORIZED

- Yes
- Permanent Change of Station (PCS) and/or Recruitment/Relocation Bonus may be authorized.

KEY REQUIREMENTS

- A Financial Disclosure Statement, OGE-450 is required.
- A Professional state licensure is required.

DUTIES:

You will serve as Geospatial Section Chief with responsibilities over major Civil Works Water Resources Project with features of flood control, water

supply, navigation improvement, ecosystem restoration and mitigation as well as recreational development throughout the area of jurisdiction. You will:

- Make short and long-range planning, work assignments and adjustments to accomplish the mission.
- Solve in-house and AE contractor scheduling conflicts
- Manage fiscal resources for project and program functions.
- Manage the District Enterprise Geospatial Engineering Systems (EGES) program.
- Serve as lead for the District's Geospatial PDT
- Assure the adequacy and accuracy of surveys
- Directly oversee the activities of engineers, land surveyors, geographers, and technicians.
- Directs all topographic, hydrographic, geodetic, and cadastral surveys, aerial photogrammetry and remote sensing and real estate surveys for the district.

QUALIFICATIONS REQUIRED:

In order to qualify, you must meet the education and experience requirements described below. Your resume must clearly describe your relevant experience. Because this position has a minimum education requirement, your transcripts will be required as part of your application. Additional information about transcripts is in this document.

Experience required: To qualify based on your work experience, your resume must describe at least one year of experience which prepared you to do the work in this job. Specialized experience for this position is demonstrated through having performed the following: Experience in topographic, planimetric, hydrographic, cadastral/boundary, geodetic, aerial photogrammetry and/or remote sensing surveys and technologies; demonstrating the ability to articulate the corporate vision, goals, strategies, technologies, and business practices and experience in programs, policies, and standards in the GIS, geospatial engineering, surveying and mapping fields. This definition of specialized experience is typical of work performed at the next lower grade/level position in the federal service (GS-12).

Selective Placement Factor: You must also possess state licensure as a Registered Professional Engineer (P.E.), Registered Professional Geologist (P.G.), Professional Registered Land Surveyor, or Registered GIS Professional (GISP). NOTE: A copy of your certification MUST be submitted with your application package.

Education required: This position has a minimum education requirement. In order to qualify for this position, you must meet one of the following education requirements, in addition to the experience requirement described above.

FOR SUPERVISORY CIVIL ENGINEER:

- A bachelor's degree or above in professional engineering from a college or university accredited by the Accreditation Board for Engineering and Technology (ABET). NOTE: THIS DOES NOT INCLUDE ENGINEERING TECHNOLOGY;
- A bachelor's degree or above in professional engineering. The curriculum included differential and integral calculus and courses (more advanced than first- year physics and chemistry) in five of the following seven areas of engineering science or physics: (a) statistics, dynamics; (b) strength of materials (stress/strain relationships); (c) fluid mechanics, hydraulics; (d) thermodynamics; (e) electrical fields and circuits +ADs (f) nature and properties of materials (relating particle and aggregate structure to properties); and (g) any other comparable area of fundamental engineering science of physics, such as optics, heat transfer, soil mechanics, or electronics;
- Current registration as a professional engineer by a state in the United States, the District of Columbia, Guam, or Puerto Rico, in addition to college-level education, training, and/or technical expertise that furnished (1) a thorough knowledge of the physical and mathematical sciences underlying professional engineering, and (2) a good understanding, both theoretical and practical, of the engineering sciences and techniques and their applications to one of the branches of engineering;
- Successful completion of the Engineer in Training examination, or the written test required for professional registration, administered by the Boards of Engineering Examiners in the various States, the District of Columbia, Guam, and Puerto Rico in addition to completion of all the requirements for either (a) a bachelor's degree in engineering technology (BET) from an accredited college or university that included 60 semester hours of courses in the physical, mathematical, and engineering sciences, or (b) a BET from a program accredited by the ABET+ADs;
- A combination of at least 4 years of college-level education, training, and/or technical expertise that included successful completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences, including the courses listed in paragraph B above. The courses are fully acceptable toward meeting the requirements of a professional engineering curriculum; OR
- A bachelor's degree or higher-level degree in engineering technology or in an appropriate professional field (for example, physics, chemistry, architecture, computer science, mathematics, hydrology, or geology) and at least one (1) full year of professional engineering experience that was acquired under a professional training program or under professional engineering supervision and guidance.

FOR SUPERVISORY GEOLOGIST:

- a degree in geology that includes at least 20 semester hours in any combination of: mathematics, physics, chemistry, biological science, structural, chemical, civil, mining or petroleum engineering, computer science, planetary geology, comparative planetology, geophysics, meteorology, hydrology, oceanography, physical geography, marine geology, and cartography;
- a combination of education and experience--education equivalent is a completion of at least 20 semester hours in any combination of the courses shown in A above, plus appropriate experience.

FOR SUPERVISORY LAND SURVEYOR

- a degree in land surveying; or civil engineering with a surveying option/emphasis. The civil engineering major must have included at least 6 semester hours of surveying, 3 semester hours of land law, and 21 additional semester hours in any combination of the following: surveying, photogrammetry, geodetic surveying, geodesy, route surveying, remote sensing, cartography, survey astronomy, land information systems, computer-aided mapping, aerial photo interpretation, and survey analysis and adjustments.
- a combination of education and experience -- courses equivalent to a major in land surveying or civil engineering as described in paragraph A, plus appropriate experience or additional education OR
- a current registration as a land surveyor in a State, territory, or the District of Columbia obtained by written examination. Such registration must have been obtained under conditions outlined in the National Council of Engineering Examiners (NCEE) Unified Model Law for Registration of Surveyors. Applicants wishing to be considered under this provision must show evidence of registration based on successful completion of the written examinations. Registrations granted prior to adoption of a registration law with qualification requirements equivalent to the NCEE Model Law by the State, territory, or District of Columbia are not acceptable under this option. To be considered equivalent to the NCEE Model law, registration laws must include the four options listed within the NCEE Unified Model Law in the section specifying "General Requirements for Registration" as a Professional Land Surveyor.

FOR SUPERVISORY GEOGRAPHER:

- a degree in geography; or related physical or social science such as geology, meteorology, economics, statistics, sociology, anthropology, political science, history, cartography, computer science, urban studies, or planning that included at least 24 semester hours in geography or related fields. OR
- a combination of education and experience--education equivalent to a major in geography, or a related field that included at least 24 semester hours in geography or related fields, as shown in A above, plus appropriate experience or additional education.

Only degrees from an accredited college or university recognized by the Department of Education are acceptable to meet positive education requirements or to substitute education for experience. For additional information, please go to the Office of Personnel Management (OPM) and U.S. Department of Education websites at - <http://www.opm.gov/qualifications> and <http://www.ed.gov/admins/finaid/accred/index.html>

Foreign education must be evaluated for U.S. equivalency in order to be considered for this position. Please include this information in your resume.

A copy of your transcripts from an accredited college or university must be submitted at the time of application. If selected, official transcripts will be required.

Other Requirements: Click [here](#) for expanded definitions.

- Male applicants born after December 31, 1959 must complete a Pre-Employment Certification Statement for Selective Service Registration.
- You will be required to provide proof of U.S. Citizenship.
- One year trial/probationary period may be required.
- Direct Deposit of Pay is Required.
- You must possess state licensure as a professional engineer or professional geologist.
- This is an Army Acquisition, Logistics and Technology Workforce position. Selectees must meet position requirements for certification at level II within 24 months on entrance on duty.
- Financial Disclosure Statement, OGE-450 will be required. Executive Branch Personnel confidential Financial Disclosure Report is required upon entering the position and annually, in accordance with DoD Directive 5500-7-R, Joint Ethics Regulation, date 23 march 2006.
- One year supervisory probationary period will be required.
- Recruitment/Retention/Relocation Incentive may be authorized.

HOW YOU WILL BE EVALUATED:

[Your application package](#) (resume, supporting documents, and responses to the questionnaire) will be used to determine your eligibility, qualifications, and quality ranking for this position. Please follow all instructions carefully. Errors or omissions may affect your rating or consideration for employment.

Basis for Rating: Qualified candidates will be assigned to one of three quality categories: Best Qualified, Highly Qualified and Qualified. Veteran preference eligibles are listed ahead of non-preference eligibles within each quality category.

- Best Qualified. Candidates in this category possess exceptional skills and experience to exceed well above the minimum requirements for the announced position.
- Highly Qualified. Candidates in this category possess good skills and experience above the minimum requirements for the announced position.
- Qualified. Candidates in this category meet the minimum experience requirements for the announced position.

Interagency Career Transition Assistance Program (ICTAP). If you are a Federal employee in the competitive service and your agency has notified you in writing that you are a displaced

employee eligible for ICTAP consideration, you may receive selection priority. See [Interagency Career Transition Assistance Program \(ICTAP\)](#) for more information. Additional information about the program is on [OPM's Career Transition Resources website](#).

BENEFITS:

The Department of Defense offers an excellent benefits program. In addition to your take-home pay, your comprehensive compensation/benefits package will include most of the benefits described in [the USAJOBS Resource Center](#).

OTHER INFORMATION:

- Selection is subject to restrictions resulting from Department of Defense referral system for displaced employees.
- If you have retired from federal service and you are interested in employment as a reemployed annuitant, see the information in the [Reemployed Annuitant](#) information sheet.
- You may claim military spouse preference, see the information in the [Military Spouse Preference Under Delegated Examining Procedures](#) information sheet.
- Multiple positions may be filled from this announcement.

HOW TO APPLY:

To apply for this position, you must complete the online questionnaire and submit the documentation specified in the **Required Documents** section below.

The complete application package must be submitted by 11:59 PM (EST) on Wednesday, December 03, 2014 to receive consideration.

- To begin, click Apply Online to create a USAJOBS account or log in to your existing account. Follow the prompts to select your USAJOBS resume and/or other supporting documents and complete the occupational questionnaire.

- Click the Submit My Answers button to submit your application package.
 - It is your responsibility to ensure your responses and appropriate documentation is submitted prior to the closing date.
 - To verify your application is complete, log into [your USAJOBS account](#), select the Application Status link and then select the more information link for this position. The Details page will display the status of your application, the documentation received and processed, and any correspondence the agency has sent related to this application. Your uploaded documents may take several hours to clear the virus scan process.
 - To return to an incomplete application, log into [your USAJOBS account](#) and click Update Application in the vacancy announcement. **You must re-select your resume and/or other documents from your USAJOBS account or your application will be incomplete.**
 - It is your responsibility to verify that information entered, uploaded, or faxed (i.e., resume) is complete, accurate, and submitted by the closing date. Uploaded documents may take up to one hour to clear the virus scan. Faxed documents must be completely transmitted by 11:59p.m. Eastern Standard Time on the closing date of the announcement.
-

The Department of the Army provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify the servicing civilian personnel unit. Your requests for reasonable accommodation will be addressed on a case-by-case basis.

REQUIRED DOCUMENTS:

The documents you are required to submit vary based on whether or not you are eligible for preference in federal employment. A complete description of preference categories and the associated required documents is in the [Applicant Checklist \(External\)](#).

As described above, your complete application includes your resume, your responses to the online questionnaire, and documents which prove your eligibility to apply. **If you fail to provide these documents, you will be marked as having an incomplete application package and you will not be considered any further.**

Your resume:

- Your resume may be submitted in any format.
- If you submit more than one copy of your resume, only the most recent version will be reviewed. The latest timestamp will be used to determine which version of your resume is "most recent." It is your responsibility to check the status and timestamp of all documents you submit as part of your application.
- If your resume includes a photograph or other inappropriate material or content, it will not be used to make eligibility and qualification determinations and you may not be considered for this vacancy.
- For qualifications determinations your resume must contain hours worked per week and the dates of employment (i.e., HRS per week and month/year to month/year or month/year to present). If your resume does not contain this information, your application will be marked as incomplete and you will not receive consideration for this position.

If you are relying on your education to meet qualification

requirements: You MUST submit a copy of your transcript if you want to substitute your education for experience. If you claim qualifications based on education, and do not submit a transcript, your education will not be used in making a qualification determination and you may be found "not qualified."

See: [Transcripts and Licenses](#)

If you are unable to apply online or unable to upload your supporting documents follow the directions located at: [Faxing Applications and Documents](#) The Vacancy ID is 1264221. You will need the questionnaire, [View Occupational Questionnaire](#), to complete your faxed application

NOTE: Documents submitted as part of the application package, to include supplemental documents, may be shared beyond the Human Resources Office. Some supplemental documents such as military orders and marriage certificates may contain personal information for someone other than you. You may sanitize these documents to remove another person's personal information before you submit your application. You may be asked to provide an un-sanitized version of the documents if you are selected to confirm your eligibility.
