---

**Monongahela, Allegheny, & Ohio Rivers**

There are numerous ramps on the three rivers which are available for public boat launching. A publication titled "The Guide to the Three Rivers" provides detailed information about these and other amenities available to river recreation boaters. Price and further information on this and other publications is available from:

The Pittsburgh Safe Boating Committee

P.O. Box 10635

Pittsburgh, PA 15235

**Note:** *The boat launching ramps described above are all located on U.S. Army Corps of Engineers lakes. However, the ramps are operated by various agencies including the Corps and other federal, state or local agencies. Boaters should be aware that federal, state and local boating laws may apply. Day user fees are charged at some sites. Annual passes may be available. For details, please call the site.*
