

Horseback Riding

Horseback riding is permitted on some Corps of Engineers project lands. Horses are not allowed in picnicking, camping, or swimming areas.

Horseback riders - check out these Web pages:

[American Quarter Horse Association - AQHA]

Berlin Lake (330) 547-3781

As much of the project lands are outgranted to the Ohio Department of Natural Resources, horseback riding is limited. Buckeye Horse Park is located just a few miles east on Route 224.

Conemaugh River Lake (724) 639-9013

There are no horseback riding trails at this project and the topography, with its steep, wooded hills are not ideal for horseback riding.

Crooked Creek Lake (724) 763-3161

The Crooked Creek Lake area is ideal for horseback riding with its many open areas and relatively flat terrain.

- There is an equestrian trail that circles around the lake project. This trail is approximately 25 miles long. There is a major equine facility at the Manor Recreation Area (in Crooked Creek Horse Park, just north of the dam), developed and operated by the Fort Armstrong Horsemen's Association.
