Notice No. 13-26

Date: July 2, 2013

**State Route 88 Cribwall Remediation at mouth of Ten Mile Creek
and Monongahela River, RM 65.6, left descending bank**

1. **To All Whom It May Concern:** Notice is given that Brayman Construction Corporation in conjunction with PennDOT will be making repairs to an existing cribwall that is currently unstable along the left descending bank of the Monongahela River and the mouth of Ten Mile Creek in Millsboro, Pennsylvania.
2. The work is scheduled to begin on Monday July 8, 2013 and the approximate date of completion is October 31, 2013. The contractor plans to work 10 hour days Monday through Friday. Schedule is tentative to change.
3. Brayman Corporation will be conducting the repairs with the use of an 85 X 85 ft. spud barge and a 120 X 40 ft. service barge. This equipment will be utilized to conduct the necessary repairs to stabilize the site. This equipment will be stored in the vicinity of the work and along the left descending bank of the Monongahela River.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the construction site. Tug boat "Lloyd S" will be assisting with the proposed work and will be available to assist.
5. Navigators, Please note, all work will take place at the mouth of Ten Mile Creek and the Monongahela River and should not affect navigational traffic on the Monongahela River. Recreational traffic traversing Ten Mile Creek should use caution in and around the area and follow all appropriate signage.

FOR THE DISTRICT ENGINEER:

~~SIGNED~~

Richard C. Lockwood
Chief, Operations Division
