Notice No. 13-36

Date: August 26, 2013

First Energy Generation Corporation
Sammis Plant
Replace Trash Rake

1. **To All Whom It May Concern:** Notice is given that River Salvage for First Energy will be removing the existing trash rake and installing a new trash rake, at the Sammis Plant on the Ohio River, Right Descending Bank, River Mile 53.5, Jefferson County, Ohio.
2. The work is scheduled to begin on September 3, 2013 and is expected to be completed on September 6, 2013. The work will start at approximately 7 am and end around 5 pm with no more than 10 hours per day of work.
3. A River Salvage Towboat, Derrick Boat, and work barge will be onsite to perform the work and will be positioned in the immediate vicinity of the upstream approach of New Cumberland Locks and Dam along the right descending bank. If needed, all work will cease to accommodate the safe passage of river traffic.
4. Navigators, please note the location and duration of this work and use caution in and around the area.
5. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the work site.
