Notice No. 13-38

Date: September 20, 2013

Demolition of the Masontown Bridge Over the Monongahela River, Mile 79.15

1. **To All Whom it May Concern:** Notice is given that Brayman Construction Company, contractor for the Pennsylvania Department of Transportation, will be demolishing the State Route 21 (Masontown Bridge) over the Monongahela River, river mile (RM) 79.15, near Masontown, Pennsylvania.
2. The work is scheduled to begin on at 0600 hours on Saturday September 28, 2013 and be complete by approximately 1000 hours on Sunday September 29, 2013. **Expect full channel closure from RM79.0 to 79.25 as a result of this activity throughout this time period.**
3. Brayman will be utilizing multiple pieces of equipment including one sectional deck barge (60'x60') with a 28-ton crane with a 120-foot aerial lift and one sectional deck barge (60'x80') with a 200-ton crawler crane. During non-working hours the floating plant will be secured to mooring cells at the Hatfield Power Station downstream of the bridge.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the construction site. All river traffic should communicate with towboats "Lloyd S" or the "Donna Lee" when navigating through this area.
5. Navigators, please note the location and duration of this work and use caution in and around the area on September 28 and Sunday 29, 2013.
