Notice No. 15-5

Date: March 3, 2015

Erection of Remaining Steel Girders for the Masontown Bridge Project Over the Monongahela River, Mile 79.15

1. **To All Whom It May Concern:** Notice is given that Brayman Construction Company employed by PennDOT will be erecting steel girders for the State Route 21 (Masontown Bridge) over the Monongahela River, river mile 79.15, near Masontown, Pennsylvania.
2. The work is scheduled to begin on Wednesday March 4, 2015 and end on March 31, 2015. Expect partial channel closures on March 4th, 5th, 18th, 20th, and the 25th with full channel closure on the 30th and 31st. These scheduled closures will take place between approximately 0800 hrs to 1630 hrs.
3. Brayman will be utilizing multiple pieces of equipment including two 40' X 128' deck barges with a 4100W Ringer Crane, one 40' X 128' deck barge for material transfer, and two 30' X 100' sectional deck barges for material transfer. During non-working hours the floating plant will be secured to mooring cells at the Hatfield Power Station.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the construction site. All river traffic should communicate with towboat Max K when navigating through this area.
5. Navigators, please note the location and duration of this work and use caution in and around the area starting March 4, 2015.

FOR THE DISTRICT ENGINEER:

~~SIGNED~~

Richard C. Lockwood
Chief, Operations Division
