	constructed in the river. Temporary stream crossing will be required.	
Pennsylvania Department of Transportation #2009-02022	PennDOT proposes to paint, conduct concrete repair, replace expansion seals	Uniontown, PA
Pennsylvania Department of Transportation #2009-02023	West Newton Bridge Preservation	Uniontown, PA

2. The following permit **Modifications** were reviewed under a WRDA 214 agreement during the 2009 calendar year:

<b>Applicant</b>	<b>Type of Work</b>	<b>Location</b>
Pennsylvania Department of Transportation #1997-01735	The applicant is proposing to construct two sections, C10 and D10, of a 1.5 miles roadway bypass along State Route 0219 around the Borough of Johnsonburg. Currently, S.R. 0219 runs through the center of operations of a paper mill. This bypass will improve safety and traffic flow and will separate local traffic and heavy truck traffic associated with the paper mill.	Clearfield, PA
Pennsylvania Department of Transportation #2007-00971	The Pennsylvania Department of Transportaton, District 12-0 (PennDOT) plans to reconstruct the Smithton Interchange (Interchange 23) on State Route (S.R.) 0070 and reconstruct approximately 1.8 miles of S.R. 0070 between the Smithton Hi-Level Bridge and the Smithton Interchange in Westmoreland County, PA	Uniontown, PA

**CELRP-OP-F**  
**Public Notice No. 10-03**

Pennsylvania Department of Transportation #2009-00208	Remove the existing bridge and construct a new bridge adjacent, upstream and to the west	Uniontown, PA
