Notice No. 05-28

Date: September 14, 2005

---

**Maintenance Dredging of the Navigation Channel**  
**Monongahela River, Mile 19.6**

1. **TO ALL WHOM IT MAY CONCERN:** Notice is given that Madison Coal and Supply Company, a contractor for the U.S. Army Corps of Engineers, will be performing maintenance dredging in the navigation channel at Monongahela River mile 19.6 (Peters Creek). The M/V Florence T. will be on site with a barge mounted crane and two (2) barges for the duration of the work. The fleet will be marked to meet all appropriate regulations. The motor vessel will monitor marine channels 13 and 16. This work is scheduled to start on or about September 26 and should be complete by the end of October 2005.

2. This work is necessary because of the buildup of material in the Monongahela River near Peters Creek.

3. Navigators please note the location and duration of the work and use extreme caution in the area.
