Notice No. 06-28

Date: July 13, 2006

Braddock Locks & Dam
Mile 11.3, Monongahela River
Two 8.5-Hour Closures

TO ALL WHOM IT MAY CONCERN: Notice is given that both lock chambers at Braddock L/D, Monongahela River will be closed from 7:00 AM to 3:30 PM on 25 & 26 July 2006. The closure will enable Shaka Inc., contractor for the U.S. Army Corps of Engineers, to work on the hydraulic lines for the installation of the capstan units for the 56' x 360' river chamber. This work requires the complete shutdown of the hydraulic system which also disables the operation of the lock gates and valves in the main 110-ft x 720-ft lock chamber.

FOR THE DISTRICT ENGINEER:

/signed/

Richard C. Lockwood
Chief, Operations Division
