Notice No. 07-16

Date: May 16, 2007

East Brady Highway Bridge Demolition Allegheny River, River Mile 69.4

1. **TO WHOM IT MAY CONCERN:** Notice is given that at approximately 11:00 A.M. on Monday, June 4, 2007, the East Brady Bridge span, located at River Mile 69.4, in East Brady, Clarion County, and Bradys Bend, Armstrong County, PA is scheduled for explosive demolition. Following demolition of the span, Brayman Construction Company, Inc. will immediately begin salvage operations to remove structural components from the river channel. It is intended for the work to be conducted primarily during daylight hours until completion. Equipment involved in the operations will be a towboat, spud barge, hopper barge and a safety boat.
2. After the span has been detonated and dropped into the river, the navigation channel span shall be opened within 72 hours. The work of removing the remainder of the three spans shall commence immediately after all debris from the navigation channel span has been removed from the water.
3. As a result of the demolition and salvage activities within the navigation channel, river traffic may experience intermittent delays and are requested to exercise extreme caution when transiting this area.
4. Questions can be directed to Nancy Mullen, Regulatory Project Manager, U.S. Army Corps of Engineers, Pittsburgh District at (412)395-7170.
