STORMS FORCE TEMPORARY CLOSURE OF SOME SHENANGO LAKE RECREATION FACILITIES

SHENANGO LAKE – Recent storms and high water have forced the closure of several Shenango Lake recreation areas and campground facilities. The U.S. Army Corps of Engineers at Shenango Lake has announced that campsites 226-330 (known as the New Duck Lake Loop) are currently closed and will remain closed throughout the Memorial Day weekend. The remainder of the campsites (1-225) will remain open pending further severe rains.

The Clark Boat Launch and the Golden Run Wildlife Area will also remain closed throughout the Memorial Day weekend. The Mahaney and Shenango Recreation Area Boat Launches are opened.

For additional information, please contact the Resource Manager's Office at 724-962-7746 or the Registration Office at the Shenango Recreation Area Campground at 724-646-1115 or -1118.
