## **Bayview ORV Area to open for 2005 season**

[SHENANGO RIVER LAKE](#) – The Bayview ORV Area will open for the season on May 27, 2005. The off-road vehicle area is for day use only, and will be open to the public from sunrise to sunset.

Riders are reminded to observe posted regulations in the area, including:

- ❖ All ATVs must have a current registration.
- ❖ Youth less than 10 years of age are not permitted to operate ATVs or motorcycles; ATV operators 10 to 15 years of age must possess a valid safety course certificate.
- ❖ Helmets must be worn at all times.
- ❖ Parking area speed limits must be observed.
- ❖ Riders must operate within posted boundary lines around the perimeter of the area.

Failure to observe posted regulations may result in a citation. Persistent riding outside of the designated area may result in permanent closure of the area due to soil erosion and a negative environmental impact.

The Bayview ORV Area will close for the 2005 season in September, but a definite date has not been set. Wet weather conditions may necessitate closing earlier in the month.
