Day Use Passes Available at Shenango Lake

[SHENANGO RIVER LAKE](#) – The 2006 U.S. Army Corps of Engineers' annual day use passes are available for sale at the Resource Manager's Office at Shenango River Lake from 9:00 a.m. to 3:00 p.m., Monday through Friday. A day use pass permits the holder and accompanying passengers in a vehicle to use all boat launch ramps and designated swimming beaches at any Corps-operated recreation area. It eliminates the need to pay separate day use fees for these facilities upon each visit and is valid at Corps operated day use areas nationwide.

Annual day use passes make great gifts for boating enthusiasts. At Shenango Lake, the pass enables the boater to use the Shenango, Mahaney and Clark boat launches for an entire year.

Annual day use passes cost \$30 per pass and are valid for 12-months from the month of purchase. Individuals with a valid Golden Age/Access Passport may purchase an annual day use pass at \$15. Passes can be purchased using checks or money orders made payable to "F.A.O. USAED, Pittsburgh".
