**COMMENT PERIOD EXTENSION ON A STATE OF WEST VIRGINIA  
PROPOSAL TO MODIFY ITS CLEAN WATER ACT  
SECTION 401 WATER QUALITY CERTIFICATION OF  
THE 2017 NATIONWIDE PERMITS**

On June 26, 2019, the U.S. Army Corps of Engineers (Corps), Great Lakes and Ohio River Division, issued a public notice providing an opportunity for the public to express its views on whether the Division Engineer should accept and incorporate WV's modified 401 WQC into the Corps' 2017 Nationwide Permits. The public comment period has been extended until 27 July 2019. All aspects of the proposal, described in the original public notice, remain unchanged and may be referenced at:
