Crooked Creek Pavilion Reservation Guidelines:

1. Exchanging dates is not permitted. Under certain emergency conditions, the Manager may issue a Credit Voucher to be used within one year for a similarly priced pavilion rental. Rain cancellations do not qualify for consideration for a Credit Voucher.
2. Posting of personal signs, balloons, paper plates, etc. on park signs is not permitted. Personal signs may be placed on stakes or boxes at key intersections. Any personal signs placed must be removed at the end of your pavilion rental period.
3. Please wait until 8:00 am to set-up to allow time for scheduled maintenance and janitorial services.
4. Driving off the roadways to load or unload and parking in the grass at pavilion is not permitted. Contact a Park Ranger for designated overflow parking area locations.
5. Alcoholic beverages are not permitted.

7. Pavilion reservations are for pavilions only. Restrooms, ball fields, playground equipment and game courts located near pavilions are not included in the reservation fee.
8. Any tables removed from the shelter must be returned at the end of the reservation.
9. Horseshoes, basketballs, volleyballs, baseballs and bats are not available to rent. Visitors must furnish their own equipment. Horseshoes must be played on the horseshoe courts only.
10. Title 36 of the Code of Federal Regulations governs the public use of Crooked Creek Lake administered by the U.S. Army Corps of Engineers. These regulations are posted throughout the Day Use Areas and are available at the Park Office or by contacting a Park Ranger. All visitors must follow the regulations for their safety and enjoyment. Your cooperation is appreciated.
