

UPPER OHIO NAVIGATION STUDY, PENNSYLVANIA ENVIRONMENTAL APPENDIX

Prior Environmental Reports

Note to Reader:

The following bibliography contains a list of U. S. Army Corps of Engineers and U.S. Fish and Wildlife Service reports relating the environmental component of the Ohio River Mainstem System Study having a bearing on the Upper Ohio Navigation Study. The Corps regulatory Environmental Impact Statement on Upper Ohio and Allegheny rivers, and the Federal Energy Commission's Environmental Impact Statement on hydroelectric development on the Ohio River are also included. This listing is not intended to be an exhaustive bibliography of Ohio River resource studies.
