1. PURPOSE

The purpose of this Declaration of Restrictive Covenants for Conservation is:

To preserve and protect the native flora, fauna, soils, water table and drainage patterns, and other conservation values of the Conservation Area(s);

To view the Conservation Area(s) in its scenic and open condition; and in general,

To assure that the Conservation Area(s), including its air space and subsurface, will be retained in perpetuity in its natural condition as provided herein and to prevent any use of the Conservation Area(s) that will impair or interfere with its natural resource functions and values. Grantor intends that this Declaration will confine the use of the Conservation Area(s) to such activities as are consistent with the purpose of this Declaration.

To accomplish the purpose of this Declaration, the following rights are created in accordance with **[FOR GOVERNMENT ENTITIES, USE: Pennsylvania Statutes, Title 32, §§ 5051-5059]** **[FOR ALL OTHER, USE: Pennsylvania common law]:**

A. To allow the Grantor, the Corps or the Pennsylvania Department of Environmental Protection (hereinafter "PADEP") the right to enter upon the Property to inspect the Conservation Area(s) at reasonable times to monitor compliance with and otherwise enforce the terms of this Declaration; provided that, except in cases where Grantor determines that immediate entry is necessary to prevent, terminate, or mitigate a violation of this Declaration; such entry shall, when practicable, be upon reasonable prior notice to any successor or assign, and Grantor shall not unreasonably interfere with the successor's or assign's use and quiet enjoyment of the Property in accordance with the terms of this Declaration;

B. To allow the Grantor, the Corps or the PADEP to enforce the terms of this Declaration by appropriate legal proceedings in accordance with **[FOR GOVERNMENT ENTITIES, USE: Pennsylvania Statutes, Title 32 §§ 5051-5059]** **[FOR ALL OTHERS, USE: Pennsylvania common law]** so as to prevent any activity on or use of the Property that is inconsistent with the purpose of this Declaration and to require the restoration of such areas or features of the Conservation Area(s) that may be damaged by any inconsistent activity or use; and

C. To allow the Grantor, or their authorized representatives, to enter upon the Property and its Conservation Area(s) at reasonable times, upon prior notice to the property owner; and upon prior notice and written approval by the Corps to take any appropriate environmental or conservation management measures consistent with the terms and purposes of this Declaration, including:

- 1) Planting of regionally native vegetation (i.e. trees, shrubs, grasses and forbs); or
- 2) Restoring, altering or maintaining: the topography; hydrology; drainage; structural integrity; streambed; water quantity; water quality; any relevant feature of any stream, wetland, water body, or vegetative buffer within the Conservation Area(s).

2. DURATION

This Declaration shall remain in effect in perpetuity, shall run with the land regardless of ownership or use, and is binding upon all subsequent declarants, their heirs, executors, administrators, successors, representatives, devisees, and assigns, as the case may be, as long as said party shall have any interest in any part of the Conservation Area(s).

5. INSPECTION, ENFORCEMENT AND ACCESS RIGHTS

The Corps, and/or the PADEP, and its/their authorized representatives shall have the right to enter and go upon the Property, to inspect the Conservation Area(s) and take actions necessary to verify compliance with this Declaration. When practicable, such entry shall be upon prior reasonable notice to the property owner. The grantor grants to the Corps, the U.S. Department of Justice, and/or the PADEP, a discretionary right to enforce this Declaration in a judicial action against any person(s) or other entity(ies) violating or attempting to violate these restrictive covenants: provided, however, that no violation of these restrictive covenants shall result in a forfeiture or reversion of title. In any enforcement action, an enforcing agency shall be entitled to a complete restoration for any violation, as well as any other judicial remedy such as civil

penalties. Nothing herein shall limit the right of the Corps to modify, suspend, or revoke the permit.

6. RECORDING AND EXECUTION BY PARTIES

Further, if anticipated activities in the Conservation Area(s) are agreed upon for future phases of the site, as spelled out in the "Reserved Rights", the Grantor must submit plans to the Corps and PADEP for review and approval prior to any work in the Conservation Area(s).

7. NOTICE OF TRANSFER OF PROPERTY INTERESTS

No transfer of the rights of this Declaration, or of any other property interests pertaining to the Conservation Area(s) or the underlying property it occupies shall occur without thirty (30) calendar days prior written notice to the Corps and the PADEP.

8. MODIFICATIONS

The restrictions contained in this Declaration are required by the attached Department of the Army Permit or verification letter for authorized use of said permit. There shall be no changes or alterations to the provisions in this Declaration without prior written approval from the appropriate District Commander of the Corps.

9. RESERVED RIGHTS

A. The Grantor and any holders of easements or other property rights for the operation and maintenance of pre-existing or project-related structures or infrastructure such as roads, utilities, drainage ditches, or stormwater facilities that are present on, over or under the Conservation Area(s) reserve the right, within the terms and conditions of their permits, their agreements, and the law, to continue with such operation and maintenance. All pre-existing or approved project-related structures or infrastructure shall be shown on the accompanying plat map or approved plan and attached to this instrument.

If the authorized project requires any related or unanticipated infrastructure modifications, utility relocation, drainage ditches, or stormwater controls within the identified Conservation Area(s), or if situations require measures to remove threats to life or property within the identified Conservation Area(s), said activities must be approved in writing by the Corps subject to terms and conditions set forth in the written approval. Approval is subject to the Corps' sole discretion. If approved, said activities must be identified on amended Exhibits A and B and must be recorded and specifically noted as an "amendment" and copies of the recorded amended Exhibits must be provided to the Corps and PADEP within 60 days of Corps approval. Approval of said activity by the Corps is in addition to any Clean Water Act, Section 404 permit, or other authorization, which may be required in order to legally implement said activity. The Grantor accepts the obligation to place any other responsible party on reasonable prior notice of their need to request such Corps approval.
