**Pittsburgh District Notice to Navigation Interest Posting Procedure**

**1. TO ALL WHOM IT MAY CONCERN:** Notice is given that the U.S Army Corps of Engineers Pittsburgh District will no longer be sending out e-mail copies of the Notice to Navigation Interests (NTNI). **This will take effect starting June 30, 2016.** A web based system is now being used to standardize the navigation notices across the U.S. Army Corps of Engineers (USACE). This will provide more efficient searchable database for the public and provide consistency across USACE.

**2. PLEASE NOTE.** The NTNI are now numbered to conform to the national database standards. The following links can be used to access current NTNI:
