Notice No. 14-59

Date: December 19, 2014

---

## Allegheny River Closure at the Hulton/Oakmont Bridge, RM 12.8

1. **To All Whom It May Concern:** Notice is given that Brayman Construction Corporation in conjunction with PennDOT has requested a 2 day river closure to strand jack span 4 of the new Hulton Bridge in position over the navigation channel located on the Allegheny River, RM 12.8, in Oakmont, Pennsylvania.
2. The work is scheduled to begin on Wednesday January 7, 2015 at 0700 hours and the approximate date of completion is Friday January 9, 2015. The contractor plans to work the entire time during the closure. The US Coast Guard Sector Ohio Valley will broadcast the opening of the river as soon as the operation is complete.
3. Brayman Corporation will accomplish the strand jacking with the use of an 80' X 280' Strand Jack Barge and a 54' X 120' Crane Barge along with the Max K plus other assist push boats.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the construction site. For additional information mariners may contact the M/V Max K on VHF-FM channel 13 & 16 or the onsite supervisor by phone at 412-429-5063.
5. Navigators, Please note, the navigation channel will be closed for this entire period of time (approximately 48 hours). Recreational traffic traversing this section of the river should use caution in and around the area and follow all appropriate signage.

FOR THE DISTRICT ENGINEER:

~SIGNED~

Richard C. Lockwood  
Chief, Operations Division
