Notice No. 13-45

Date: December 18, 2013

---

## First Energy Generation, W. H. Sammis Plant, Maintenance Dredging Ohio River, Right Bank, Mile 53.7

1. **To All Whom It May Concern:** Notice is given that Campbell Transportation Company will be performing maintenance dredging along the right bank of the Ohio River, within the vicinity of the barge unloader for the W. H. Sammis Plant. The site location is approximately 1,400 yards above the New Cumberland Locks and Dam, Ohio River, at approximately River Mile 53.7, Stratton, Jefferson County, Ohio. The proposed work was authorized by Standard Permit, dated October 1, 2010, (Corps I.D. 2010-674)
2. The work will be performed beginning December 19, 2013 and concluding January 1, 2014. Working hours are from 0700 to 1700.
3. Equipment involved in the operation will be performed from the Motor Vessel (M/V) Kanawha with a work barge with crane.
4. Mariners should monitor radio frequency channels 16, 13 and 11 while transiting in the vicinity of the work site. Please contact the M/V Kanawha for precise location information.
5. Navigators are urged to use **caution** when transiting this area.

FOR THE DISTRICT ENGINEER:

// SIGNED //

RICHARD C. LOCKWOOD  
Chief, of Operations Division
