Notice No. 14-08

Date: March 27, 2014

Inspection of the 16th Street Bridge Allegheny River, Mile 1.5

1. **To All Whom It May Concern:** Notice is given that Sofis Inc. and Marion Hill Associates Inc. will conduct a bridge inspection on the 16th street bridge, Allegheny River, river mile 1.5. The work includes an in-depth inspection of the bridge, which at various times will involve inspections taking place within the navigational channel. Inspection will be conducted by a tow vessel affixed to a spud barge and may engage the barge's spuds to maintain a stationary position.
2. The work will be performed 7:00 a.m. to 5:00 p.m., beginning April 1, 2014 and ending on or about April 8, 2014. The tow vessel and spud barge will be moved from the navigational channel and moored to either the left or right bank during non-working hours.
3. Work will be performed from Motor Vessel HARDHAT attached to a 40 foot by 80 foot Spud Barge.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting the in the vicinity of the work site.
5. Navigators, please use caution in and around the area.

FOR THE DISTRICT ENGINEER:

// SIGNED //

RICHARD C. LOCKWOOD
Chief, Operations Division
