Notice No. 14-21

Date: May 2, 2014

---

**Braddock Locks and Dam, Monongahela River, Mile 11.3**  
**56-ft x 350-ft River Lock Chamber Closure**

1. To All Whom It May Concern: Notice is given that the 56-ft x 360-ft river lock chamber at Braddock L/D will be **closed** until further notice due to an equipment failure of the emptying valve. It will remain closed until the repairs are completed.

2. Currently no completion date has been established for this repair. A revised Navigation Notice will be posted once the repairs to the empty valve have been made and the river lock chamber is back in operation.

3. The 110-ft x 720-ft land lock chamber will remain open to navigation and only minor delays to navigation are expected.

4. Navigators are requested to use caution when entering or leaving the land lock chamber in order to prevent a complete shutdown of navigation at Braddock L/D, Monongahela River.

FOR THE DISTRICT ENGINEER:
