Notice No. **14-09**

Date: **March 28, 2014**

Shield Wire and Marker Ball Replacement Ohio River Mile 76.1

1. **TO ALL WHOM IT MAY CONCERN:** Notice is given that Pike Electric, contractor for Wheeling Power Company-American Electric Power (AEP) will be replacing shield wire and marker balls crossing the Ohio River at river mile 76.1, located in Brilliant, Wells Township, Jefferson County, Ohio and Brooke County, West Virginia.
2. The shield wire and marker ball replacement will consist of an aerial replacement, attaching the new shield wire to the old shield wire, pulling it across the river and attaching the marker balls as they go along. There will be no work within the Ohio River resulting in no delay or impact to navigation. Upon observation of an approaching vessel, the work will temporarily halt to let vessels pass through the work area.
3. The work will begin on April 7, 2014 and be completed April 17, 2014. Work hours will be from 7:00 a.m. to 7:00 p.m. Monday through Friday.
4. Radio marine channels will not be monitored during the replacement project.
5. Navigators, please note the location and duration of this work and use caution in and around the area.
