Demolition of the Hulton/Oakmont Bridge, Allegheny River Mile 12.7

1. **TO ALL WHOM IT MAY CONCERN:** Notice is given that Brayman Corp, on behalf of PennDOT, will be demolishing the old Hulton/Oakmont Bridge over the Allegheny River, river mile 12.7, in Oakmont, Pennsylvania
2. The Allegheny River will be closed one hour prior to the implosion of the bridge which is currently planned for approximately 0900 hours on January 26, 2016. **The river will be closed to traffic for approximately 72 hours and should reopen on January 29, 2016.** The additional bridge spans will continue to be removed outside the limits of the navigation channel thereafter. It is anticipated that work will continue outside the limits of the channel through May 2, 2016.
3. Equipment involved in the operation will be performed from 1 - 800 horsepower push boat, 1 - 600 horsepower push boat, flat barges, and crawler cranes.
4. Mariners should monitor radio frequency channels 13 and 16 when transiting in the vicinity of the work site. Please contact Jason Booher Brayman Corp. 724-443-1533, ext 50344 for any questions.
5. Navigators, please use caution when traveling in and around the area.

FOR THE DISTRICT ENGINEER:
