

Attached hereto as Exhibit "B" is a list of the bodies the names of which were known at the time the original plan was prepared and also a list of the bodies the names of which were unknown at that time but were subsequently ascertained, which now appear on the final plan as known. Identification of these originally unknown bodies was accomplished in the manner set out below.

The names of the originally unknown bodies were ascertained from information obtained from next of kin, funeral directors and from other parties having knowledge of the facts. Also the names of several bodies, originally unknown, were learned from metal names plates found on the caskets after they were disinterred.
